Cool. Could you send the engineering report that you checked for me the other day (James) to Steven from Evonik? P-xx-x398 (see attached email). I can email it to you again on CBI side.

Thanks,  
-Darrell

The latter. The form covers all future correspondence, assuming they don't revoke authority.

If I want to send a cbi document to a submitter and they have already filled out the authorization form for the particular case earlier for some other documents that we sent them, do they need to fill it out again? Or can I just tell you guys which document I want to send and to whom?

Thanks,
